Experience

Prismarine Los Angeles, CA
Founder 2026 – Present

- Founded operating studio delivering AI automation, product design, full-stack software, and distribution strategy to founders and early-stage teams; led all client engagements directly
- Deployed multi-agent AI systems for business clients, reducing operational overhead and enabling async team coordination; secured and completed first paid commercial engagement
- Designed and shipped production web products (Next.js, TypeScript, React) and built agentic workflows integrating LLMs, custom tooling, and knowledge management infrastructure

GUESS?, Inc. (NYSE: GES) Los Angeles, CA
AI & Sustainable Strategy Intern Summer 2025

- Developed ESG reporting workflows and AI-assisted analysis tools adopted by the sustainability and strategy teams to streamline quarterly reporting
- Presented AI integration and workflow automation recommendations directly to C-suite executives across supply chain, communications, and product development functions
- Researched competitive AI adoption landscape and authored internal briefing on tool evaluation frameworks and implementation pathways for enterprise deployment
